

EULLER MACENA

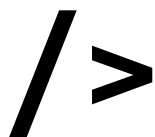

FULLSTACK DEVELOPER

/ ABOUT ME

Bachelor in Computer Science from UFF, currently 25 years old. Since my childhood I have always been interested in technology.

I've 4 years experience as a fullstack developer in web and mobile apps and I also worked voluntarily in a scientific initiation scholarship where I developed a mobile app for reporting incidents at SAMU.

Also, I like to read Mangas and my favorite is One Piece. I also was an active player from League of Legends and other games, but nowadays I have other priorities in my life.
